Ahmed Fawzy, MD  
Section Chief, Urology  
Guthrie Clinic

Guthrie Clinic  
c/o Physician Recruitment  
One Guthrie Square  
Sayre, PA 18840

Guthrie has a dynamic opportunity for a BC/BE Urologist to join our growing department within an academic setting. Urologists at Guthrie use the da Vinci Robot to perform minimally invasive procedures, and treat a growing, diverse, regional patient base.

With its financial stability and integrated clinical care model, Guthrie is structured with an organizational design and function that provides the flexibility necessary to adroitly handle the healthcare changes that lie ahead.

Guthrie is a collegial, physician-led group practice that offers its physicians opportunities for leadership, advancement and a work/life balance that others only dream of.
